## Hip Hop with Serena Ten and Youney Terefe of Jess Dance

Our Hip Hop Lessons started today. Thank you to our PAC for sponsoring this fun set of lessons. Each class is learning a routine to music with an age-similar buddy class. You'll probably see your children practicing at home over the next few days.

On **Friday, December 5<sup>th</sup>** the classes will have shorter lessons in the morning so that they can have a “dress rehearsal” in front of their peers before the evening performance at **Cambie at 6pm**. We hope you can join us at Cambie next Friday. We will send home more information closer to the date if there are props and or clothing recommendations.

# December is here!

As it gets colder outside, please make sure that students are dressed for the weather with warm jackets, hats, boots and gloves. An extra pair of socks is always welcome, too. Students learn best when they are warm and dry!

International  
Day of  
**Persons with  
Disabilities**  
3 DECEMBER

## Did you know?

- An estimated 1.3 billion people experience significant disability. This represents 16% of the world's population, or 1 in 6 of us.
- Some persons with disabilities die up to 20 years earlier than those without disabilities.
- Persons with disabilities have twice the risk of developing conditions such as depression, asthma, diabetes, stroke, obesity or poor oral health.
- Health inequities arise from unfair conditions faced by persons with disabilities, including stigma, discrimination, poverty, exclusion from education and employment, and barriers faced in the health system itself.
